- 25X1C 1. From 1951, the barracks installation on Steinertsberg, Gera (M 51/K 06), seemed to be only partially occupied. Only a few windows of the barracks buildings were lighted at nightfall. Some soldiers observed in the billeting area wore red-bordered black epaulets and black-bordered red epaulets. A motorized artillery unit which was loaded at the railroad station on the evening of probably came from this barracks installation. The materiel of the unit included: 4 full-track prime movers, 4 heavy guns, 2 guns of 35-mm to 50-mm, and
- 25X1C It seemed that the entire unit from the installation had gone to a troop training grounds.
- 25X1C 2. On , five AA guns, apparently of 120-mm, were emplaced 150 meters north of the intersection of Keplerstrasse and Wiesestrasse. An informant said that the gun crews were billeted at 12 Lindenallee. **
3. An undetermined number of AA guns were also emplaced in the elevated area, which had been cleared of trees, west of the old castle Osterstein in Ernsee. ***
- 25X1A * Comment. Elements of the 20th Gds Mecz Div and a unit of the 38th AT Arty Brig, possibly the 578th Arty Regt, are carried in the barracks installation on Steinertsberg. See . The present report indicates that the unit which left Gera for an undetermined destination on was a component of the 38th AT Arty Brig.
